# 2022 MID-PACIFIC Student Conference

## Mailer I

---

# 2022 Mid-Pacific Student Symposium

October 15, 2021

Dear ASCE Student Chapter of the Mid-Pacific Student Conference:

The American Society of Civil Engineers at UC Davis is proud to announce the 2022 Mid-Pacific Student Symposium! The conference will be held on March 31 – April 2, 2022.

This is your 2022 Mid-Pacific Student Symposium Mailer I, the first of three packets to be sent to each of the participating ASCE Student Chapters in our Student Conference. While we fully intend for our 2022 Student Symposium to be held in person, given the unpredictability of COVID-19 variants, it is conceivable that circumstances may change. We are trying to remain flexible in our planning and recommend that you do the same. Our Student Symposium Planning Committee and ASCE will continue to monitor the situation and provide more guidance as necessary.

Further, all individuals planning and/or participating in the student symposium are responsible for complying with all campus protocols and procedures including but not limited to COVID-19 guidelines related to in-person meetings, masking, social distancing, etc., at all times in connection with planning, preparation, or participation in the student symposium. Please use all of the tools available to keep people safe and healthy.

Please carefully read through this packet and forward copies to the appropriate chairpersons in your Student Chapter. ***Please do not delete this mailer*** as information given within may not be repeated in subsequent mailers. Enclosed you will find the following information:

- Deadlines summary,
- Receipt confirmation,
- Student chapter registration form,
- Tentative symposium schedule/plans,
- Hotel accommodations/information,
- COVID-19 guidelines,
- Eligibility requirements for advancement to Society-wide competition finals, and
- Competition rules and contacts.

# 2022 Mid-Pacific Student Symposium

Please confirm that you have received this mailer by completing the receipt confirmation form by **October 30, 2021**. Please note the school registration deadline is **November 27, 2021**. The conference will take place on March 31 – April 2, 2022. If you have any questions or comments about the content of this mailer, feel free to contact us at [ucd.midpac2022@gmail.com](mailto:ucd.midpac2022@gmail.com).

All questions and answers concerning the events, rules, etc. will be posted on our web site: <https://studentsymposium.asce.org/mid-pacific/>. We will do everything possible to answer your questions in a timely manner, but please be patient – we are learning as we go.

We, at the UC Davis, are very excited to be hosting the conference this year! We look forward to your participation in the inaugural Mid-Pacific Student Symposium and providing an opportunity to engage with other student chapters and ASCE Region Leadership.

Sincerely,

A handwritten signature in black ink, reading "Grace Yang". The signature is written in a cursive, flowing style. The first name "Grace" is written with a large, looped 'G' and the last name "Yang" is written with a large, looped 'Y'.

Grace Yang  
2022 Mid-Pacific Student Symposium Coordinator

March 31 – April 2, 2022	2022 Mid-Pacific Conference

## TENTATIVE SYMPOSIUM SCHEDULE\*

---

<b>Thursday, March 31, 2022</b>	<ul style="list-style-type: none"><li>• Registration</li><li>• Welcome Meeting</li><li>• Captains Meeting</li><li>• Presentations:<ul style="list-style-type: none"><li>○ Concrete Canoe</li><li>○ Daniel W. Mead Paper</li><li>○ GeoWall</li><li>○ Steel Bridge Aesthetics Judging</li><li>○ Transportation</li><li>○ Water Treatment</li></ul></li></ul>
<b>Friday, April 1, 2022</b>	<ul style="list-style-type: none"><li>• Competitions:<ul style="list-style-type: none"><li>○ Concrete Canoe Display and Races</li></ul></li><li>• YMF Social</li></ul>
<b>Saturday, April 2, 2022</b>	<ul style="list-style-type: none"><li>• Competitions:<ul style="list-style-type: none"><li>○ GeoWall</li><li>○ Steel Bridge</li><li>○ Water Treatment</li></ul></li><li>• Business Meeting</li><li>• Awards Banquet</li></ul>

\*This is a VERY tentative schedule! It might change drastically depending on our ability to secure reservations. Look out for Mailer II for our more solidified idea of a schedule.

## RECEIPT CONFIRMATION

---

To confirm that your school has received Mailer I for the 2022 Mid-Pacific Conference, please complete the “Receipt Confirmation” through Google form by using the link below.

<https://forms.gle/GVkCAfJtRWW7Dh2m6>

This form is due before **October 30, 2021**. If you have any questions regarding the “Receipt Confirmation” please contact us at [ucd.midpac2022@gmail.com](mailto:ucd.midpac2022@gmail.com).

---

*The following shows what is asked on the Google Form:*

Student Chapter Name:

Faculty Advisor's Name:

Faculty Advisor's Phone Number:

Faculty Advisor's Email Address:

Student Contact's (i.e., Chapter President or designate) Name:

Student Contact's Phone Number:

Student Contact's Email Address:

**If your student chapter plans to compete in the Student Steel Bridge Competition,** please complete the [Student Steel Bridge Competition – ASCE Student Chapter Participation Form](#) by October 30, 2021. Completing this form is necessary in order to receive your SSBC stipend.

---

This confirms that we have received Mailer I regarding the 2022 Student Symposium.

## STUDENT CHAPTER REGISTRATION INFO

---

To register your student chapter for this for year's 2022 Mid-Pacific Conference, please complete the "Student Chapter Registration Form" through Google form by using the link below.

<https://forms.gle/zGb3xCQxjdKaqRgj6>

School registration for the ASCE 2022 Mid-Pacific Conference is \$150 per school and is due on **November 27, 2021**. Any school registration that is postmarked later than November 27, 2021 will be considered late. There will be a \$100 penalty for late registration. If you have any questions regarding the "Student Chapter Registration Form" please contact us at [ucd.midpac2022@gmail.com](mailto:ucd.midpac2022@gmail.com).

### **Payment Methods:**

Make check payable to: *ASCE at UCD – MidPac 2022* and send to the following student chapter mailing address:

2001 Ghausi Hall  
University of California  
1 Shields Avenue  
Davis, CA 95616

Or through Venmo @asce-ucd with the description "<School Name> – MidPac 2022"

---

The following page shows what is asked on the "Student Chapter Registration" Google Form.

## STUDENT CHAPTER REGISTRATION FORM

---

Student Chapter Name:

- ☐ We are participating in the symposium with approximately \_\_\_\_ students and faculty. (Your school will not be held to these numbers, but this will greatly assist in our planning efforts.) Enclosed please find our \$150 student chapter registration fee.
- ☐ We acknowledge that our student symposium is being planned as an in-person event and circumstances may change due to unpredictability of COVID-19 variants.
- ☐ We are not participating in the symposium this year.

In which events does your student chapter plan to compete?

### **Society-wide Competitions**

- ☐ ASCE Concrete Canoe Competition
- ☐ AISC/ASCE Student Steel Bridge Competition
- ☐ GeoWall Competition
- ☐ Daniel Mead Competition

### **Local Competitions**

- ☐ Water Treatment Competition
  - ☐ Transportation Competition
  - ☐ Mini Games
- 

## Individual Attendee Registration

We have not decided on an exact individual attendee registration price for the 2022 Mid-Pacific Student Symposium. However, we do know that it will be in the range of \$40 to \$75 per person. We will be finalizing and releasing details regarding individual attendee registration in Mailer II which will be released on January 15, 2022. Individual attendee registration fees will be due on February 12, 2022.

## HOTEL INFORMATION

---

We are currently still working on getting room blocks at hotels in the Davis area.

If you would like to be included on the hotel block, please fill out this hotel poll, so we can get a more accurate headcount for hotel room block reservations.

Hotel Poll: <https://forms.gle/YJoYT2DF318BCShp9>

However, it is not guaranteed that we will be able to reserve these hotel blocks.

In the meantime, these are some hotels in Davis that our team is currently working on reserving for hotel blocks. Teams can call ahead to make their own reservations from these options. More details regarding hotel blocks and accommodation options will be available in Mailer II.

### **University Park Inn and Suites**

(530) 756-0910

1111 Richards Blvd

Davis, CA 95616

Details:

- Estimated price per room per night: \$170
- Queen one or two beds, and king suites

## **Hilton Garden Inn Davis Downtown**

(530) 753-3600

110 F St

Davis, CA 95616

<https://www.hilton.com/en/hotels/smfdagi-hilton-garden-inn-davis-downtown>

Details:

- Estimated price per room per night: \$159
- Queen one or two beds, and king suites

## **Best Western University Lodge**

(530) 756-7890

123 B St

Davis, CA 95616

[https://www.bestwestern.com/en\\_US/book/hotels-in-davis/best-western-university-lodge/propertyCode.05363.html](https://www.bestwestern.com/en_US/book/hotels-in-davis/best-western-university-lodge/propertyCode.05363.html)

Details:

- Estimated price per room per night: \$153
- Queen one beds, and double 2 beds

## **La Quinta Inn & Suites**

(530) 758-2600

1771 Research Park Dr

Davis, CA 95618

<https://www.wyndhamhotels.com/laquinta>

Details:

- Estimated price per room per night: \$157
- Rooms unknown

## **Aggie Inn, Ascend Hotel Collection**

(530) 756-0352

245 1st St

Davis, CA 95616

<https://www.choicehotels.com/california/davis/ascend-hotels/cad04?mc=llgoxxpx>

Details:

- Estimated price per room per night: \$125
- Queen one or two beds, and king suites

## **Hyatt Place UC Davis**

(530) 756-9500

173 Old Davis Rd

Davis, CA 95616

[https://www.hyatt.com/en-US/hotel/california/hyatt-place-uc-davis/smfzu?src=corp\\_lclb\\_gmb\\_seo\\_smfzu](https://www.hyatt.com/en-US/hotel/california/hyatt-place-uc-davis/smfzu?src=corp_lclb_gmb_seo_smfzu)

Details:

- Estimated price per room per night: \$127
- Queen two beds, and king suites

## COVID-19 REGULATIONS

---

### Campus Vaccination/Testing Requirement for Indoor Events with Food or Drinks

- Starting Sept. 15, vaccination or proof of a recent negative COVID-19 test is required for all indoor events of 100 or more attendees at a UC Davis facility that include food or drinks. Attendees should bring a photo ID to confirm vaccination/test for the person entering. Verification records should **NOT** be retained by the event. It is the responsibility of the event host to ensure that staffing resources are available to meet this entrance requirement.
- The entrance requirement can be met in one of the following ways:
  1. UC Davis employees or students are required to show their valid Daily Symptom Survey compliance email.
  2. Non-affiliate attendees can show:
    - Their CDC Vaccine Card (phone image acceptable) or digital vaccine record from the State of California **OR**
    - A negative COVID-19 test result from the last 72-hours. (must be a lab/PCR test; home tests/antigen tests are not valid)
- For all other indoor hosted events of any size, we encourage verification of vaccination, Daily Symptom Survey result or recent COVID-19 testing for entrance.

### Face Coverings

- As of July 28, 2021: Everyone is required to wear face coverings indoors, regardless of vaccination status.
- Unvaccinated individuals are also required to wear a face covering outdoors in crowded spaces.
- Find more details and updates about [when face coverings are required or not on campus](#), regardless of vaccination status.

## ELIGIBILITY REQUIREMENTS FOR ADVANCEMENT TO NATIONAL COMPETITIONS

---

Visit the Eligibility for Society-wide Competition's webpage at:

<https://www.asce.org/communities/student-members/conferences/eligibility>

**The following qualifications are required of all ASCE Student Chapters in order to advance to the ASCE Society-wide Competition Finals:**

**An ASCE Student Chapter must:**

1. Be in good standing with ASCE:
  - a. Have paid their annual dues, as received by ASCE, prior to the start of the Student Symposium; and
  - b. Have submitted their student chapter full Annual Report **no later than February 1, 11:59 p.m. EST**, and have received a minimum score of 40 points out of a possible 100. Student Chapters that submit an EZ annual reporting form do not qualify; and
  - c. Act appropriately. As representatives of ASCE and the civil engineering profession, all competition and symposium participants are expected to and must act professionally and courteously. The use of alcohol, marijuana, or other controlled substance is strictly prohibited, including but not limited to competitions and banquets.

**Note:** *Invitations to Symposium and Society-wide Competitions are a privilege, not a right. Failure to act appropriately can result in letters of reprimand, mandatory behavior management plans, and loss of invitations to further competition for individual institutions and/or entire conferences.*

2. Attend and participate in their assigned Student Symposium as shown through their school's:
  - a. Good faith participation in the annual Student Conference Business Meeting as a component of the Student Symposium. At least one (1) student representative shall be present at the start of the Business Meeting;
  - b. Good faith participation in the Student Symposium Paper Competition, including submission and presentation by at least one (1) member of the ASCE Student Chapter. Note that any papers/presentations created for any other competition do not count as an entry into the Student Symposium Paper Competition.
3. **Questions regarding eligibility should be directed to [student@asce.org](mailto:student@asce.org).**

## Competition Rules and Contacts

## CONCRETE CANOE

---

**Competition Date:** Thursday, March 31, 2022 – Presentation  
Friday, April 1, 2022 – Display and Races

**Competition Location:** UC Davis Campus – Thursday  
Lake Natoma – Friday

### Summary:

The ASCE Concrete Canoe Competition provides students a unique opportunity to gain hands-on practical experience while testing their skills with concrete mix designs and project management challenges. Organizers, sponsors, and participants are dedicated to building awareness of concrete technology and application, as well as the versatility and durability of concrete as a construction material, among civil engineering students, educators, practitioners, the concrete industry, and the general public.

### Rules and Resources:

This competition is a society-wide competition that follows national rules provided by ASCE. For rules and additional resources, please refer to the following link:

<https://www.asce.org/communities/student-members/conferences/rules>

The Mid-Pacific Concrete Canoe Competition is a qualifying round to participate in the National Concrete Canoe Competition. To participate in the national concrete canoe competition, please refer to Section 3.0 “Eligibility” in the 2022 ASCE Concrete Canoe Competition Request for Proposals – Rules linked above.

### Contact:

Any questions regarding the Concrete Canoe Competition can be sent to:

[concretecanoe.midpac2022@gmail.com](mailto:concretecanoe.midpac2022@gmail.com)

## STEEL BRIDGE

---

**Competition Date:** Thursday, March 31, 2022 – Aesthetics  
Saturday, April 2, 2022 – Construction

**Competition Location:** UC Davis Campus

### Summary:

The Student Steel Bridge Competition challenges students to an intercollegiate competition that supplements their education with a comprehensive, student-driven project experience from conception and design through fabrication, erection, and testing.

### Rules and Resources:

This competition is a society-wide competition that follows national rules provided by AISC/ASCE. For rules and additional resources, please refer to the following link:

<https://www.aisc.org/education/university-programs/student-steel-bridge-competition/ssbc-rules-and-clarifications/#14406>.

The Mid-Pacific Steel Bridge Competition is a qualifying round to participate in the national steel bridge competition. To participate in the national steel bridge competition, please refer to the Section 4 “Eligibility” in the 2022 Official Student Steel Bridge Competition Rules linked above.

### Contact:

Any questions regarding the Steel Bridge Competition can be sent to:

[steelbridge.midpac2022@gmail.com](mailto:steelbridge.midpac2022@gmail.com)

## GEOWALL

---

**Competition Date:** Thursday, March 31, 2022 – Presentation  
Saturday, April 2, 2022 – Construction

**Competition Location:** UC Davis Campus

### Summary:

The objective of the Geo-Wall competition is to design and build a model mechanically stabilized earth (MSE) retaining wall using paper reinforcement attached to a poster board wall facing. Students are to design a MSE wall using the least amount of reinforcement needed to support the retained soil and design loads, and effectively communicate their analysis and design processes.

### Rules:

This competition is a society-wide competition that follows national rules provided by Geo-Institute. For rules and additional resources, please refer to the following link:

<https://drive.google.com/drive/folders/1NCACXDLvGTBcG5YFPsqSSEqV3fKVtbX1?usp=sharing>

### Contact:

Any questions regarding the GeoWall Competition may be sent to:

[geowall.midpac2022@gmail.com](mailto:geowall.midpac2022@gmail.com)

## DANIEL W. MEAD PAPER

---

**Competition Date:** Thursday, March 31, 2022 – Presentation

**Competition Location:** UC Davis Campus

### Summary:

The Daniel W. Mead Paper Competition is a competition in which an individual from each competition school writes and presents a paper on professional ethics. The contest provides an opportunity for young civil engineers to further their professional development and gain national attention.

### Rules and Resources:

This competition follows the National-level Daniel W. Mead student paper competition rules published by ASCE on the following website:

<https://www.asce.org/career-growth/awards-and-honors/daniel-w-mead-prize-for-students>.

The same topic and rules will be used at the Mid-Pacific Conference, but the Mid-Pacific Conference Competition also includes an oral presentation component.

Please be advised that the submittal to the Mid-Pacific Conference Mead Paper Competition should not be confused with the National Daniel W. Mead nomination. Although the same topic and rules are used for both competitions, they are separate competitions with separate submittal requirements for each.

Please refer to the website <https://www.asce.org/career-growth/awards-and-honors/daniel-w-mead-prize-for-students> for submittal requirements and specifications for the national Daniel W. Mead Student paper competition.

### Contact:

Any questions regarding the Mid-Pacific Conference Daniel W. Mead Paper competition can be sent to:

[meadpaper.midpac2022@gmail.com](mailto:meadpaper.midpac2022@gmail.com)

## 2022 Topic

ASCE updated the Code of Ethics in October 2020. When comparing the latest version with the previous version, what impact will the changes have on the civil engineering profession? [View both former and current codes.](#)

## Mead Paper Rules

1. Papers for the Mid-Pacific Student Competition shall:
  - a. be limited to one paper from each Student Organization
  - b. not exceed 2,000 words in length
  - c. be written by only one person
  - d. not have previously been published in other than school or Society publications.
2. Reference citations of the papers used should conform to official ASCE Journal Submission Guidelines, which can be found on the ASCE Publications Website: <http://ascelibrary.org/page/authors>.
3. A complete bibliography should also be included, if appropriate. The bibliography will not count towards total word count.
4. Authors must be undergraduate students and both ASCE Student Organization members and ASCE national student members in good standing at the time of submission.

## Mid-Pacific Student Conference Mead Presentation Rules

1. Each entrant must formally present his or her paper at the Mid-Pacific Conference. Presentations must be (5) minutes in duration (+/- 5 seconds without penalty.) Please see the scoring rubric for further scoring details.
2. Presentations must be accompanied by visual aids.
  - a. The host chapter will provide a projector and screen.
  - b. Any additional equipment shall be furnished by the presenter.
  - c. The specifications of the meeting room and type of useable input for the projector will be provided in Mailer II.
3. The host school will not provide a timer for the presenter's use. The presenter may ask someone in the audience to help keep track of the time but shall not distract the judges.
4. At the end of each presentation, the judges will have up to (5) minutes to ask questions.

# 2022 Mid-Pacific Student Symposium

Judges may choose to limit audience members to those individuals associated with the presenter's university. Audience policies will be announced at the Captains' meeting held prior to the presentations.

## Paper Format

1. Use 12-point Times New Roman or Arial font, single spaced, using normal width character spacing, and 1-inch margins on all sides.
2. Include paper title, author name, and university at the top of the first page.
3. Sequential page numbers shall be placed at the bottom of each page and centered.

## Submittal Requirements

The deadline for the Mid-Pacific Student Conference Mead Paper is 11:59 PM on March 10, 2022.

Submit to the following Google Form link: <https://forms.gle/cmZM3tNCjjGixexT8>

If for some reason you are not able to upload your file and submit through the Google Form, please let us know and submit via email to [meadpaper.midpac2022@gmail.com](mailto:meadpaper.midpac2022@gmail.com).

A completed submission will consist of a single .pdf file containing:

1. A cover letter with the title of the paper, the author's name, the name of the school the author is competing for, a mailing address, and an e-mail address for the paper's author.
2. The paper being submitted.

The name of the file shall follow this format: "Mead Student Prize - Author's Last Name - Name of University.pdf"

## Scoring and Awards

1. The paper and presentation carry equal weight of 50 points each, for a maximum overall score of 100 points, as shown in the rubric below.
2. Judges will score the paper and presentation individually. The average of the judges' scores for each author/presenter will be ranked to determine final placement.
3. Awards will be given as follows: 1st place: \$100, 2nd place: \$75, 3rd place: \$50

Paper Scoring Criteria	Score
1. Adherence to topic	/10
1. Evidence of original ideas and research	/10
2. Command of subject matter	/10
3. Spelling, grammar, length (2,000 word maximum)	/5
4. Overall clarity, organization, quality of paper, and references	/15
<b>Presentation Sub-Total</b>	<b>/50</b>

Presentation Scoring Criteria	Score
1. Degree to which presentation addressed and supported key concepts of written paper and theme of contest	/10
2. Ability to communicate key concepts from written paper and to convince audience of their importance. Ability to address and answer questions effectively	/25
3. Nonverbal communications: appearance, poise, eye contact, natural speaking style	/5
4. Presentation skills: Delivery style (i.e. reading, memorized, conversational); pronunciation and proper use of technical language and grammar; enthusiasm and voice projection	/5
5. Time (5 minutes +/- 5 seconds) (Beyond 5-second allowance: 0.05-point penalty per second difference from required 5 minutes, i.e. 5:20 or 4:40 = 1 point penalty)	/5
<b>Presentation Sub-Total</b>	<b>/50</b>

Errors in logics or facts (up to 10 points penalty)	/-10
<b>OVERALL SCORE</b>	<b>/100</b>

## WATER TREATMENT

---

**Competition Date:** Thursday, March 31, 2022 – Presentation  
Saturday, April 2, 2022 – Construction

**Competition Location:** UC Davis Campus

### Summary:

The ASCE Mid-Pacific Student Water Treatment Competition is a competition in which students will work in teams to build a filtration system that will be judged based on water quality, design report, construction, efficiency, cost, and an oral presentation. Simulated wastewater will be loaded into the filter and teams will be ranked and are expected to collaborate in solving this real-world problem. The competitors will use materials attainable at a hardware store to design their filter which will treat wastewater based on real-world scenarios in the rules of the competition.

### Rules:

This is a local competition created by our Water Treatment team and rules can be found using the following link:

<https://drive.google.com/drive/folders/14-Ao6wKEmGDPXDQbK0QpXx2Y1zt0ZcW1?usp=sharing>

The finalized rules for this competition will be released on **October 22, 2021 by 11:59 PM.**

### Contact:

Any questions regarding the Water Treatment Competition can be sent to:

[watertreatment.midpac2022@gmail.com](mailto:watertreatment.midpac2022@gmail.com)

## TRANSPORTATION

---

**Competition Date:** Thursday, March 31, 2021 – Presentation

**Competition Location:** UC Davis Campus

### Summary:

The purpose of the Transportation Competition is to provide students with a practical transportation problem. This challenge requires students to analyze a real-life problem in transportation and apply methods of intersection design, geometric design, and traffic engineering to develop a solution.

The 2022 Transportation Competition requires teams to analyze and present a solution to a practical problem with the bike network of the city of Sacramento. This project requires a 5+ page document containing their project summary and a 10-minute presentation utilizing a professional poster.

### Rules:

This is a local competition developed by our Transportation Competition team and rules can be found using the following link:

<https://drive.google.com/drive/folders/1LLqeDQFKU1liOa8sl6h2tWDCQvH-V8PJ?usp=sharing>

The finalized rules for this competition will be released on **October 22, 2021 by 11:59 PM.**

### Contact:

Any questions/concerns regarding the Transportation Competition may be sent to:

[transportation.midpac2022@gmail.com](mailto:transportation.midpac2022@gmail.com)

## MINI GAMES

---

**Competition Date:** Saturday, April 1, 2022

**Competition Location:** Lake Natoma

**Summary:**

The Mini Games is designed to allow participants to interact, engage, and enjoy the conference outside of the traditionally hosted competitions. There will be four different group activities each school can participate in which are concrete bowling, volleyball, wood stick bridge, and relay race. These mini-games competitions will be occurring during and in between the Concrete Canoe paddling heats.

**Rules:**

Further details will be released in Mailer II.

**Contact:**

Any questions/concerns regarding the Mini Games may be sent to:

[minigames.midpac2022@gmail.com](mailto:minigames.midpac2022@gmail.com)
