20/02/2023

TO WHOM IT MAY CONCERN.

Dear Sir/Madam

REF: LETTER OF RECOMMENDATION FOR PELLY LODOMPUI

Mr. Lodompui Pelly Maiden was appointed by the Samburu County Government, working as a civil engineer, doing construction of roads for the service contracts. He was appointed on 20th February, 2023 and is still working for the county Government.

I have known Mr. Pelly for the last 6 Years, and been mentoring his performance at work as a civil engineer. Pelly has always taken his roles seriously and is passionate about his work. Beyond his passion on driving performance, Pelly is a natural leader, and fights hard for his beliefs. He's at his best in a group environment, and is consciously proactive at getting full involvement of all the team members to derive the best performance possible. Mr. Pelly has been a consistent performer in both work and also his academics.

I therefore, strongly recommend Mr. Lodompui Pelly Maiden for the aforementioned scholarship for him to go and study again his master's degree in China, because he is a future asset for Samburu and Kenya at large. I am certain that Mr. Pelly is going to continue to do great things for this country in future.

Yours sincerely,

MOSES LELUATA

CECs (Roads, Transport & Public Works)

The County Government of Samburu.
