### To Whom It May Concern

I'm writing this letter to express my support for ABU SHAMAH HEBAH WAHEED JAMIL's scholarship application. I had the pleasure of teaching her in the course Smart City and Sustainable Design and now supervising her in writing her Master thesis in Urban and Rural Planning Master Program at the School of Architecture and Design, Beijing Jiaotong University, China.

During my relationship with Ms ABU SHAMAH, I have experienced an individual who shows up earlier than asked, works hard, and carries herself in a polite, respectable manner. In addition, Ms ABU SHAMAH is exceptionally gifted at making others feel comfortable and always maintaining a positive attitude. It is without reservation that I recommend her as a candidate for this scholarship.

If you have any questions regarding Ms ABU SHAMAH's application, please feel free to contact me.

Sincerely,
